STATE-OF-THE-ART TECHNOLOGY FOR QUILTERS

The BERNINA 570 QE Kaffe Edition combines innovative features with lots of space for creativity. The robust freearm provides 8.5" of work space to the right of the needle — enough to handle your most amazing quilting projects. The BERNINA Hook sews precisely, quickly and quietly with a stitch width of up to 9 mm. The Jumbo Bobbin holds up to 70% more thread than standard bobbins. The BERNINA Stitch Regulator (BSR), Patchwork Foot #97D and BERNINA Dual Feed are included as standard. The BSR ensures beautiful, even stitches when free-motion quilting, whilst the Dual Feed effortlessly handles difficult and fine fabrics by feeding from both the top and the bottom.

BIG BLOOMS FOR GREAT IDEAS!

With 481 decorative stitches, 73 quilting stitches, 34 utility stitches and 8 sewing alphabets, the BERNINA 570 QE Kaffe Edition is ideally suited for all your creative quilting. 31 decorative stitches have been specially developed for this model, based on drawings by Kaffe Fassett. The machine comes with a large number of embroidery designs already pre-installed, including 39 exclusive Kaffe Fassett designs — 17 Big Blooms designs like the pattern on the machine faceplate, 2 Paperweight designs and 20 quilting patterns. Embroidery enables you to add an extra dimension to your creations. Upgrade your B 570 QE Kaffe Edition with the Embroidery Module M with Smart Drive Technology (SDT) to add a further dimension to your creative projects.
