<sup>†</sup>Offer applies only to single-receipt qualifying purchases. A promo fee, equal to 2% of the amount financed at time of purchase, will be shown as a separate transaction on your billing statement and included in the balance subject to this promo. Any taxes, delivery or other charges included in the amount financed will increase the related promo fee and the required monthly payments. For example, a \$950 purchase with \$50 in taxes and shipping costs, will be charged a promo fee equal to \$20 and \$1,020 will be charged to your account. No interest will be charged on the amount financed (including related promo fee), and equal monthly payments are required on such balance until it is paid in full. The payments equal the amount financed (including related promo fee) divided by the number of months in the promo period, rounded up to the next cent. These payments may be higher than the payments that would be required if this purchase was a non-promo purchase. During the last month(s) of the promo period the required monthly payment may be reduced due to the prior months' rounding. Regular account terms apply to non-promo purchases. For New Accounts as of 07/16/24: Purchase APR 34.99%. Penalty APR 39.99%. Min Interest Charge \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval. Participating Dealers Only. See Store for Details. We reserve the right to discontinue or alter the terms of this offer any time.
